## Young Rose Plants

THE LIST AS GIVEN HERE IS NOW READY OR WILL BE SHORTLY; these plants at these prices are from beds,—have not as yet been potted; we will doubtless be able to offer some other sorts later on; we have quite a stock now in pots and are potting up right along,—and can do your wants in potted plants soon, (we will make special prices any time you will submit list of wants).

The plants we now offer are not “RAW” stuff with immature, brittle roots,—they are not “soft” and will stand shipping well most anywhere. You are aware, or should be, that all our roses are grown from wood taken from blooming plants in the field—short, soft wood cuttings, rooted under glass. Figure out for yourself the value as compared with green-house, forced stuff.

We do not reserve stock for future shipment. The demand is very strong this season and we urge our friends to place orders early.

### FIELD GROWN ROSES

THREE GRADES—From \$3.50 per 100 up. If our PRICE LIST IS NOT ON FILE, SEND FOR IT NOW.

Yours respectfully,

**Guarantee of Genuineness**—While we exercise every possible care and diligence to have our plants true to label, and hold ourselves in readiness, on proper proof, to replace any that may prove untrue to label, without charge, or refund the amount paid for the same, it is mutually understood and agreed between the purchaser and ourselves that this covers the full extent of our guarantee or responsibility in the premises.

**Complaints**—If there are any just complaints to be made, of any nature whatever, the same must be forwarded to us immediately upon receipt of the plants.

**All Shipments Made By Express**—We guarantee express charges and the rate is thus precisely the same as if charges were prepaid. All shipments travel at the risk and expense of buyer.

**Note**—The 100 rate does not apply unless 100 of a variety ordered.
